### Summertime News

This past June, the WCEPBA was pleased to be able to award 5 Grade 12 grads with \$1000 **Scholarships**. The committee had a hard time deciding who the recipients would be. All 12 of the applicants were excellent! This year's winners were:

- Sage Seymour
- Payton Brown
- Kaylee Meyer
- Macy Sidebottom
- Sommer McCullough

Our annual **Golf Tournament** was a massive success again this year. There was a bit of a storm later in the afternoon that cut the time on the course a bit short for many golfers, but there were a few that stuck it out & finished all the holes! Worked out just fine, as it allowed many of us to mingle & network before dinner was served. We had a total of 72 golfer participate. There was an incredible amount of support from local businesses, lots of donations for prizes and auction items. When it was all said & done, we raised just over \$7500 this year! Thanks to all who purchased items in the auction, and special thanks to Loren McDougall for being our Auctioneer this year! Once again, a special thank goes out to Kirk Douglas & RSE for the large donation to our Scholarship at the event as well!

We move into July, and the **Fired Up Classic Car Show** at the Emerald Park Fire Hall. Again, this year the staff from the Cornerstone Credit Union volunteered their time to put on a BBQ at the car show. They raised \$2000 to support our Scholarship as well! Huge thanks to everyone who attended & donated to the BBQ, the staff from the Cornerstone CU who worked the BBQ, and other local businesses who donated items for the BBQ – IGA, Sherwood Coop, and Cargill.

Watch for details to be announced shortly about the upcoming **Comedy Night** later in October @ Aspen Links!
